

Korean International Semiconductor Conference & Exhibition on Manufacturing Technology 2025

## **KISM 2025 BUSAN**

Re:Innovation of Semiconductor Manufacturing for AI Ecosystem

## **Prof. Junyong Park**

Kyung Hee University, Republic of Korea

Junyong Park received the B.S. degree in Electronic and Electrical Engineering from Sungkyunkwan University in 2014, and the M.S. and Ph.D. degrees in Electrical Engineering from the Korea Advanced Institute of Science and Technology in 2016 and 2019, respectively. He is currently an Assistant Professor at the Department of Semiconductor Engineering, Kyung Hee University. Before joining Kyung Hee University, he was with SK Hynix from 2019 to 2023 as a senior engineer. In 2023, he joined the Missouri University of Science and Technology as a Postdoctoral Fellow. After that, he worked as an Assistant Professor at Dankook University by 2025. His current research interests include statistical signal/power integrity for high-speed systems, next-generation packaging design, and IBIS-AMI.
