

Dr. Joonho You

Nexensor Inc., Korea

Joonho You is currently the CEO of Nexensor Inc. He studied optical metrology at KAIST (Korea Advanced Institute of Science and Technology) and has over 20 years of experience in research, development, and commercialization in this field. His research interests include interferometry technology, thin-film measurement technology, shape measurement techniques using pattern projection methods such as deflectometry and Moiré, and fiber optic-based thickness sensors. He is the member of The Korean Microelectronics and Package Society, Korean Optical Society of Korea.
